Landscape Structures Launches 13th Annual Parks & Recreation State Speaker Scholarship Program

Annual program has awarded nearly 300 scholarships to support conference speakers
Delano, Minn. (July 22, 2021) — Landscape Structures Inc., a Delano, Minn.-based commercial
playground equipment manufacturer, has announced that they are once again accepting applications for
their annual Parks and Recreation State Speaker Scholarship program. The 2021-2022 program will
support the appearances of keynote speakers at state parks and recreation associations’ annual or regional
conferences.

Recipients of the 2021-2022 scholarship will receive \$2,500 to support conference speakers
whose messages are focused on topics related to play, inclusion, equity, urban parks planning or other
professional development. In addition to the \$2,500 scholarship, Landscape Structures will provide one
complimentary Play Healthy™ Hand Sanitizer Station to each state association awarded a scholarship to
raffle off, donate or share with a member. Scholarship applications are being accepted now through June
30, 2022.

Since the scholarship program’s inception in 2009, Landscape Structures has awarded nearly 300
scholarships to state associations and more than \$720,000 to support the appearances of speakers at park
and recreation conferences throughout the nation.

“We are proud to continue our support of state parks and recreation associations through this
scholarship program,” said Lynn Pinoniemi, vice president of marketing at Landscape Structures. “We are
grateful for the work that these associations and their members are doing to bring together people for play
and recreation. They are truly helping shape the lives of everyone in their communities.”

To complete an application for Landscape Structures' 2021-2022 State Association Speaker Scholarship, visit playlsi.com/speaker-scholarship/.

Since 1971, Landscape Structures Inc. has been the leading manufacturer of commercial playground equipment in the world. Our employee-owned company designs community and school playgrounds that encourage kids of all ages and abilities to learn persistence, leadership, competition, bravery, support and empathy through play. We push the limits—of design, inclusion, play—to help kids realize there is no limit to what they can do today and in the future. For a better tomorrow, we play today.
